

► **Access**

※ From Yokohama station to PACIFICO Yokohama, approximately 10 minutes

The Technical Association of Refractories, Japan, is honored to host the 16th Unified International Technical Conference of Refractories (UNITECR) to be held on 13th to 16th October, 2019 in Yokohama, Japan. The meeting will focus on the latest advances and applications of Refractories.

The organization of UNITECR was established in 1987 in Tokyo.

► **The Founding Members;**

- American Ceramic Society (ACerS)
- The Technical Association of Refractories, Japan (TARJ)
- German Refractories Association (GRA)
- Association Latinoamericana de Fabricantes de Refractarios (ALAFAR)

► **The Principal Members;**

- Chinese Ceramic Society (CCS)
- Indian Refractory Makers Association (IRMA)
- Federation Europeenne des Fabricants de Produits Refracraires (PRE)

16th Biennial Worldwide Congress

UNITECR 2019

Unified International Technical Conference of Refractories

*Refractories for the Future:
Collaboration among Customers,
Manufactures and Academia
in Pursuit of Further
High-Temperature Technology*

13th to 16th October, 2019
PACIFICO Yokohama, Yokohama, JAPAN

Hosted by
TARJ. Technical Association of Refractories, Japan

► Call for Papers

The deadline for abstract submission is Dec. 20, 2018.

The submitted papers will be organized for presentation and discussion in topical sessions, as in standard for the UNITECR Congress. Speakers will be notified about acceptance or rejection of their paper by end of Jan., 2019.

UNITECR strongly encourages speakers to make their presentation using computer projection equipment, which the congress organizers will provide in each session room.

The speakers are responsible for their own costs/expenses.

Please note papers must be submitted in English and electronically.

For further information, please visit the official website – <http://www.unitecr2019.org>

► Deadline for Abstract

Dec. 20, 2018
